

DESCRIPTION

Cleaned and selected red sorghum grain used as a stable and versatile energy source in animal feed formulations.

NUTRITIONAL INFORMATION

Purity	99% min
Moisture	14% max
Damaged	3% max
Test weight	71 kg/hl min
Foreign materials	2% max
Color	Light red

SUITABLE FOR

Appropriate for poultry, swine, dairy cows, beef cattle, sheep, goats, and aquaculture. Common uses include improving energy concentration, replacing other cereals, enhancing feed conversion, and supporting cost-efficient diets in intensive systems.

STORAGE | SHELF LIFE

Store in a cool, dry, and ventilated place. Protect from moisture, insects, and rodents to maintain grain safety and nutrient stability. When properly stored, red sorghum retains quality for up to one year.

PACKAGING | LOGISTICS

Shipped in bulk in 20 ft or 40 ft containers. Prior to loading, containers are prepared with moisture-mitigation solutions such as specialized liners and humidity-absorbing blankets to reduce condensation risks and help preserve grain quality during international...
